A record of these procedures as well as other info is being sent home with the buyer. The continuation of these procedures is the buyer's responsibility. This canine comes with a 30 month genetic guarantee. This puppy needs to be taken to a veterinarian of your choice for an exam within 7 days of purchase date or sooner if possible. Returning the puppy would be at the new pet owner's expense. **NO MONEY WILL BE REFUNDED.**

It is VERY IMPORTANT that you continue with the series of puppy shots, as it takes the entire series of shots to build up the puppy's immunity to disease. There is no guarantee on size, coat type or eye color of the puppy when they are fully grown.

This puppy is **NEVER** to be tied out on a chain nor is it to be left inside an indoor kennel for extended periods of time (12 or more hours). If breeder finds out either of these has happened, then we have the right to request the return of the puppy immediately. **UNDER NO CIRCUMSTANCE IS THIS PUPPY, UNDER THE AGE OF 5 YEARS) TO BE EUTHANIZED WITHOUT NOTIFYING THE BREEDER FIRST.**

Please understand that I want the best possible homes for my puppies, in the event during any point of the transaction if I personally feel uncomfortable and/or am questioning in my own mind that you may not be suitable for a puppy from me, I have the right to cancel the sale (**I will refund deposit**) and not sell a puppy to you.
